Unit 1 What's the matter?

一、模仿朗读

听以下短文一遍，你有 50 秒钟的时间准备，然后模仿朗读。当听到“开始录音”的信号后，请在 70 秒钟内朗读短文，当听到“停止录音”的信号时，请停止朗读。

What do healthy people look like? One hundred middle school students in Shanghai can show you the answer. They are not too fat, nor too thin. They see and hear clearly. They look happy and lively. They stand out not for being top students, but for being healthy both in body and mind. It took five months to choose the healthy children. First, their eyesight, hearing and teeth were checked. Then there was a test of their minds and bodies. These children got together to talk about how they keep fit. Many said doing sports and having good eating habits are important.

Volunteering means spending some of your free time helping others. You can volunteer to help people, and you can also volunteer to protect animals, the environment, or any other things that you care about. Volunteering offers you new ways to look at your own life. Sometimes you may worry about things like grades or get angry just because you don't have the nicest shoes or the newest computer game. Volunteering gives you a chance to spend some time on something different and it often puts you in a different environment where you can help and learn. When you volunteer, you make a difference to the world and yourself, too.

Many people don't like doing chores. However, everyone in the family should do their part with the housework. In some families, children have to help their parents do chores every day. The chores are different for different children. Parents tell them what to do and teach them how to do the chores. It is good for the children to learn to do chores at an early age. Many parents say, "Doing chores is important for children—even very young ones. Doing chores helps children learn many important skills. It also helps them understand the idea of sharing."

Venice is in the northeast of Italy. The total area of Venice is about 414.6 square kilometers. It is a city with cool winters and hot summers. It wasn't built on land, but on more than 110 islands. Seawater is everywhere around the city. Even so, traveling around isn't difficult. The waterway has always been the best way to get around. There are many waterways and more than 400 bridges that can lead you where you want to go. People like to enjoy the scenery and cool summer nights while taking boat trips. Water makes the city special, but it is also a big problem. In the past, people used too much groundwater. This made the city get lower little by little.

Think twice before keeping a dog. Dogs can be noisy. Many of them bark at strangers. Some dogs bark more loudly than others. A few dogs bark at night. This stops people from getting enough sleep. Not all dogs are friendly. A small number of pet dogs even attack people. What's more, many people in cities live in flats. They have no choice but to keep their dogs in their small houses. However, dogs need fresh air and large open space where they can run free. So the owners need to take them for a walk even after a busy day at work.

Lisa is serious about the chores. When she was young, her father began to make her do chores on her own and learn to take care of herself. And now she is doing the same thing to her children. She asks her children to do things according to their ages. She started by asking John, the elder of her two sons, to help with the dishes. It is now an easy chore for the 15-year-old boy. John's 13-year-old brother, Dave, helps him. They take turns washing the dishes each week. The boys also clean their desks, make their beds and buy food from the market on Sunday mornings. And they can cook simple meals when their parents are not at home.

Question 7: Who asked Lisa to do chores when she was young?

Question 8: How old is Dave?

Question 9: When do the boys buy food from the market?

Question 10: What can the boys do to take care of themselves when their parents are not at home?

W: I watched movies till 12:00 last night.

M: When did you start?

W: At 8:00 p.m.

M: Oh, that's a couple of hours. It's really bad for your eyes.

W: I know that. But it's just hard for me to fall asleep these days and I don't know what to do.

M: Just relax. Get some exercise every day. And before you go to bed, try to stay away from your phone.

W: OK. I'll try.

Question 1: How long did Sue watch movies last night?

Question 2: What does the man advise Sue to do?

听第二段对话，回答第 3 - 4 两个问题。现在你有 10 秒钟的阅题时间。

M: Tina, yesterday I received a letter from my student, Lily.

W: What did she say?

M: She said she was a quiet girl. She wanted to be more outgoing. She hoped I could give her some advice.

W: Did you write back to her?

M: Yes, I advised her to try some new hobbies.

Question 3: Why did Lily write to the man?

Question 4: What's the relationship between the man and Lily?

听第三段对话，回答第 5 - 6 两个问题。现在你有 10 秒钟的阅题时间。

W: What's wrong, Jack?

M: My classmate, Mike, took my football to the playground this morning.

W: Did he tell you?

M: No, he didn't. I was reading in the library at that time.

W: Did he give it back to you?

M: Yes, he gave it back to me this afternoon. But I'm still angry about it.

W: Why don't you tell him that this makes you angry? And ask him to tell you in advance if he wants to use your football next time.

M: You're right. Thank you very much.

W: Hope things work out.

Question 5: Where was Jack this morning?

Question 6: How did Jack feel after he got the football back?

第二节 回答问题

听下面一段独白，录音播放两遍。录音播放前，你有 15 秒钟的阅题时间。录音播放后，请根据所听内容回答第 7 - 10 四个问题。当听到“开始录音”的信号后，请在 8 秒钟内口头回答每个问题。

Welcome to today's program! Today we're going to talk about how you can choose your future job. This is very important and everybody needs advice on this matter. First, look at newspapers and surf the Internet to find out about all the different jobs out there. You may even read about some jobs that you have never heard of! But remember, it's always best to choose a job that you are interested in. Next, you should talk to your parents and close friends. They know you well and may give you some useful advice. Then look for volunteer work to get an idea about the kind of work you will do later on. Finally, take your time to think about it. Do well in your studies now, and instead of worrying about it, think about how exciting the future will be!

Question 7: What is the program about?

Question 8: What kind of job you'd better choose?

Question 9: Who may give you some useful advice?

Question 10: What should you do now?

三、信息转述及询问

第一节 信息转述

你将听到 Bob 的一段独白。请根据所听到的内容和提示，在 60 秒钟内转述 Bob 遇到的问题，包含全部要点。现在，你有 15 秒钟的时间阅读要点提示。下面请听录音两遍。

I'm Bob, a middle school student in the UK. These days, I am under great pressure because I have some problems. First, I can't get on well with some of my classmates. They invited me to John's birthday party last Sunday, but I didn't go. Then they were all angry with me. Second, I am getting heavier these months because I eat a lot of sweet food. I just love it. I don't want to be fat but it's hard for me to give up sweet food. Third, math is getting more and more difficult for me. I find I can't catch up with other students. I have great difficulty in understanding the teacher in class. I really don't know what I should do.

第二节 询问信息

你希望了解更多关于 Bob 的情况，请根据以下提示向 Bob 提两个问题。每个问题有 15 秒钟的准备时间和 8 秒钟的提问时间。

Unit 5 What were you doing when the rainstorm came?

听三段对话，每段对话播放两遍。每段对话播放前你有 10 秒钟的阅题时间。每段对话播放后有两个问题。请根据所听到的问题和提示，选择正确的信息在 8 秒钟内口头回答每个问题。

听第一段对话，回答第 1 - 2 两个问题。现在你有 10 秒钟的阅题时间。

W: Hi, Ted. What were you doing from eight to nine last night?

M: I was doing my homework from eight to nine. Then I read newspapers.

W: What about your sister Jenny?

M: Oh, let me see. She was writing a letter during that time.

W: And what about your parents?

M: They were watching TV.

Question 1: How long did it take Ted to do his homework last night?

Question 2: What were Ted's parents doing during that time?

听第二段对话，回答第3-4两个问题。现在你有10秒钟的阅题时间。

W: Peter, can you guess what happened on the farm last night?

M: No, Anna. What was it?

W: While I was sleeping, a strange noise woke me up.

M: What happened then?

W: I opened the door and I saw a cow running after a dog. That was strange, so I watched for a long time.

Question 3: What did Anna see last night?

Question 4: What did Anna think of what happened last night?

听第三段对话，回答第5-6两个问题。现在你有10秒钟的阅题时间。

M: The news just said that fallen trees were everywhere because of the rainstorm.

W: The rainstorm? I have no idea!

M: You don't know? It rained heavily and the wind kept blowing hard. What did you do last night?

W: Well, I was so tired after swimming, so I went straight to bed without taking a shower. When did it start?

M: Oh, it started around 11 o'clock. Lucky you! I couldn't fall asleep because of the big noise. So I watched TV all night.

W: It seems that you will sleep early tonight.

M: Yes, you're right. I feel like going to bed now.

Question 5: What was the woman doing when the rainstorm came last night?

Question 6: What does the man want to do now?

第二节 回答问题

Long long ago, there was a mouse living in a forest. The mouse was unhappy because of her fear of the cat. One day, she met a magician and talked to him about her worry. After hearing her story, the magician felt pity for her and turned her into a cat. However, the mouse was still worried because she became afraid of the dog. She said, “Wherever I go, there is a dog running after me.” So the magician turned her into a big dog and said to her, “Now, you are the biggest dog in the world.” “In a way, you are right. But dogs are afraid of the panther, including me.” Then she was turned into a panther. But she said again, “No matter how strong I am, I am not so strong as the gun in the hunter’s hands.” In the end, the magician gave up. He turned her into a mouse again and said, “Anything I do for you is not going to help, because you have the heart of a mouse.”

Question 7: Where did the mouse live?

I'm John. I visited Green Island with my family in May last year. We had great fun there and I would like to tell you something about it. Green Island is a tiny beautiful island in the Pacific Ocean, about 33 kilometers off the eastern coast of Taiwan. It is Taiwan's fourth largest island with an area of around 16 square kilometers.

The white beaches, green grasslands and clear seawater make it a great place for vacation. We enjoyed the hot springs and beautiful undersea sights very much. The Green Island is home to a great many plants and animals. And the rocks there are interesting because they are in various different shapes. "Sleeping Beauty" is one of the most strangely shaped rocks. There are many other things that you cannot miss. Spend a few days in this place and you'll find out more yourself.

第二节 询问信息

你希望了解更多关于 Green Island 的情况，请根据以下提示向 John 提两个问题。每个问题有 15 秒钟的准备时间和 8 秒钟的提问时间。

The Adventures of Tom Sawyer is one of the classics by Mark Twain. It is set in a small town in America in the 19th century. The story is about a boy called Tom Sawyer. He lives with his aunt Polly. He makes trouble sometimes, especially for his aunt. Tom is not a “good” child like other children in the town. He tries very hard not to go to school and often jumps out of his bedroom window to meet his friends at night. He is very clever. One day Aunt Polly asks him to do some painting and he gets all the boys in the town to do the work for him by inventing a new painting game. The story is so interesting that the readers can't put it down.

Question 7: When is the book set?

Question 8: Whom does Tom live with?

Question 9: How does Tom get all the boys in the town to do the painting for him?

Question 10: What does the speaker think of the book?

Think twice before keeping a dog. Dogs can be noisy. Many of them bark at strangers. Some dogs bark more loudly than others. A few dogs bark at night. This stops people from getting enough sleep. Not all dogs are friendly. A small number of pet dogs even attack people. What's more, many people in cities live in flats. They have no choice but to keep their dogs in their small houses. However, dogs need fresh air and large open space where they can run free. So the owners need to take them for a walk even after a busy day at work.
