M: Actually, Neil plays much better than me. And he has played it for 7 years.

听第三段对话，回答第5~6题。

M: May I borrow some CDs of country music from you, Lily?

W: Yes, Tim. But I lent three to Lisa, and four to Helen. Now I only have five.

W: You can keep them for 3 weeks.

M: That is OK. Thank you very much.

W: It is my pleasure.

听第四段对话，回答第7~8题。

M: Sherry, there is a new park in our neighborhood. Have you ever been there?

W: No, I haven't. What about you, John?

M: Me neither. Why not go there now?

W: Sorry, I haven't finished my book report. It's too hard for me.

M: Your book report? What is the name of the book?

W: *Little Women*. It is about 4 sisters growing up.

M: Why not go and talk to the people in the park and ask them for advice?

W: Good idea! Today is Sunday. Many people will have fun there. Let's go now.

How are you doing? How time flies! And I've been in the Happy Camp for three weeks. I like this camp very much. The life here is interesting. I have learned a lot since I came here. I also made lots of friends here. They are happy to help me when I have some difficulties. Thanks to them, I got used to the life here pretty soon. My English is getting better and better and I can understand the teachers better. Don't worry about me. I'm fine here. I miss you so much. Take care!

I'm Jack. I'm a middle school student. In the morning, I always eat breakfast at home. It's a good choice to have bread and milk for breakfast. I often have lunch at school. For lunch I like chicken and beef because they both taste good. People can cook them in many ways. Supper is the best because my mom will cook some delicious food for me. Meat is my favorite food. I eat a lot of meat for supper. But my mother tells me that eating too much meat is bad for my health. I have to eat some fruit and vegetables from now on.
